

SUBSTITUTE DECLARATION AND POWER OF ATTORNEY  
REISSUE PATENT APPLICATION

As the below named inventors, we hereby declare that our citizenship, residence postal addresses and residences are as stated below; that we verily believe ourselves to be the original, first and joint inventors of the invention entitled:

**AUTOMATIC AUTOMOBILE TRANSMISSION WITH  
VARIABLE SHIFT PATTERN CONTROLLED IN RESPONSE  
TO ESTIMATED RUNNING LOAD**

the specification of which was filed on April 23, 1998 and included original U.S. Patent No. 5,510,982, issued April 23, 1996, and amendments thereto as required by 37 C.F.R. § 1.171 et seq.

We verily believe that, as provided in 37 C.F.R. § 1.175, the original U.S. Patent No. 5,510,982 is partly inoperative because we claimed less than we had a right to claim in the patent, as indicated in particular by the scope of the additional broader claims being submitted herewith as Claims 8, 9, 10 and 11. The assignee of this patent recently discovered the error and the need for broadened claim coverage upon reviewing the patent.

All errors being corrected in this reissue application up to the time of filing of this Declaration arose without deceptive intent on the part of the Applicant.

We offer to surrender the original patent and/or provide an appropriate affidavit or declaration in the event the same is lost, upon the indication of allowability of the reissue patent application.

We hereby state that we have reviewed and understand the contents of the above-identified Specification, including the Claims, as amended by any amendment referred to above. We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56 (a).

We hereby claim foreign priority benefits under Title 35, United States Code §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:
